Republican Territorial Convention.

In accordance with a resolution passed by the Republican Territorial Central Committee the Republican Territorial Convention will convene in the City of Phoenix, on the last Tuesday in August, at 10 o'clock a.m. The purpose of the convention is to elect delegates to Congress, one person for each of the various counties as follows: Apache, Mohave, Yuma and Maricopa, and one person for each of the various counties as follows: Graham, Gila and Pinal Counties. The Republican Central Committee has therefore invited to select delegates to the said Convention in such manner as shall seem to them just and equitable and the delegates shall be appointed among the various counties as per resolution of the Central Committee viz: one delegate for every fifty votes cast for the Republican ticket, and one for a fraction of fifty over twenty-five votes cast for same ticket, in the election of November 6, 1888. The representation of the various counties will be as follows: Apache 1, Mohave 1, Yuma 1, Maricopa 1, Graham 1, Gila 1, Pinal 1, and one for the Territory at large.

By ruling of the Chairman of the Territorial Convention and by precedent it is understood that proxies to the convention will only be held by members of the convention from the same counties as the proxies.

The Republicans of Arizona confidently enter upon the campaign at hand asking of Congress and the Administration at Washington admission to the Union of States and the full privilege of citizenship to all within the borders of the present Territory, believing that our wealth, resources, intelligence and rights as citizens of the United States entitles us to such consideration and privilege. All citizens of the Territory who believe in the same principles of Republicanism and in the complete and full enjoyment of citizenship for every citizen of Arizona are cordially invited to join the party in an earnest attempt to gain a Republican success at the fall elections which will insure to the people of Arizona all the rights and privileges as citizens to which they are entitled.

TEMPE TOPICS.

The proposition to annex a part of school district No. 13 to the Tempe district raised quite a furor in No. 14. They are almost unanimous in opposing the change, which they claim will weaken their district without materially helping Tempe.

The trustees of our school elected F. J. Duffy and Mrs. C. E. Rambert as teachers for the coming term. There seemed to be considerable opposition.

Political aspirants are beginning to bring around their axes which, judging from their efforts, must need a great deal of grinding. It is rumored that some of the gentle local politicians are whetting extremely large knives for the coming primaries of the untimely Democracy.

Rev. Downs tenderly brought the remains of his buggy to the smithy for repairs; cause—runaway by his spirited team. Blacksmith Yeager is loud in his praise of the thorough work done by the horses.

THE MARKETS.

New York Stock Market.
New York, July 25.—The activity and buoyancy shown in the stock market yesterday and which justified the expectation that the Secretary of the Treasury would get all the bonds he wanted, disappeared today, and again dullness and stagnation prevailed during the day. Bearish traders made a few feeble attacks upon certain stocks, the Atchison and the Lackawanna being most conspicuous. But the movement was of short duration, as in other cases. The market closed heavy, with quotations close to opening figures.

Petroleum continues dull. Spot opened 84c; August 86c; a slight gain was made and the market closed dull.

Chicago Wheat Market.
Chicago, July 25.—Wheat excited and higher; opened 1/8c higher; declined 1/4, then raised 1/2c to 3/4c for September, in which most interest centers. Suddenly it advanced 2c with scarcely any trading, there being but little wheat on sale. This advance was followed by another upturn of 1/2c. At 94c there was considerable wheat for sale, and the market settled back 2c, closed irregular, and closed 1/2c higher for September and 1/4c higher for December than at the closing yesterday. There was nothing in the way of outside news to cause the sharp advance, but the "short" interest no doubt took fright at reported large export purchases yesterday, and in attempt to cover, forced an advance. Receipts, 427,000; shipments, 121,000.

Chicago Live Stock Market.
Chicago, July 25.—Cattle receipts, 11,000. The market was steady and firm, with beefs at \$1.00; hogs, \$1.00; sheep, \$1.00; Texas cattle, \$1.00; sheep—receipts, 20,000; market steady. Native, \$1.00; Western, \$1.00; Texas, \$1.00.

New York Metal Markets.
New York, July 25.—Lead—Dull; Domestic, \$1.00; foreign, \$1.00. Tin—Steady. Strains, \$20.00. Bar silver, \$1.00.

Boston Wool Market.
Boston, July 25.—The wool market was more active today. Territorial, Texas and California unchanged sold, to a fair extent, at 16c.

Philadelphia Wool Market.
Philadelphia, July 25.—Wool was more active today. Montana, 17c; Texas, Territorial, 16c.

Mexican Dollars.
San Francisco, July 25.—Value of Mexican dollars today, 80 1/2 @ 87 1/2c.
